# FRANCISCA VICENTE DE ALMEIDA

Software Development

@ franciscaalmeida023@gmail.com   🔗 www.linkedin.com/in/francisca-105-almeida
🔗 https://github.com/Francisca105   📍 Lisboa

EDUCATION

Bachelor in Computer Science and Engineering
Instituto Superior Técnico

📅 2022 - 2025

- Elected year students' representative in 2022/23 and 2023/24

WORK EXPERIENCE

Data Management Intern
MicroHarvest

📅 08/2024 - 11/2024   📍 Lisbon, Portugal

- Automated Excel processes by developing a dashboard for efficient data input and management, streamlining workflows and reducing manual effort.
- Designed and implemented the solution using Docker, Next.js, and SQL, ensuring scalability, efficiency, and ease of use.

ADDITIONAL EXPERIENCE

Web Developer
SINFO

📅 03/2024 - Present

- Supported the biggest free tech conference in Portugal by engaging with companies and speakers to ensure a successful and impactful experience.
- Contributed to the development of SINFO's new web app, used by 1430+ users, designing the frontend using Figma and implementing it with Next.js.
- Developed the venue page, allowing users to explore the event space, view company stand locations, and access company details.
- Analyzed event statistics with Grafana, tracking attendee engagement across keynotes and sessions.
- Assisted with various organizational tasks during the event, including company check-ins, attendee support, and logistics.

Web Developer & Team Coordinator
NEIIST

📅 03/2024 - Present

- Played a key role in modernizing the digital platforms by developing and maintaining customized web solutions, ensuring intuitive navigation and responsive design.
- Progressed to the role of Team Coordinator, supervising multidisciplinary teams, defining development priorities, and meeting deadlines to address the association's needs.

Web Developer & Team Coordinator
AeroTéc

📅 10/2023 - Present

- Developed and implemented innovative web solutions as part of the WEB.Dev Team, utilizing technologies such as Express and MongoDB.
- Coordinated the Dev team as well as workshops and training sessions for new team members, ensuring knowledge transfer and team growth.

SUMMARY

A passionate software development professional with hands-on experience in web development and team coordination. Known for contributing to innovative projects and playing a pivotal role in technology-focused communities. Eager to leverage expertise in modernizing digital platforms and managing multidisciplinary teams to advance the mission of forward-thinking technology enterprises. Enthusiasm for collaborative environments and advancing cutting-edge software solutions is evident.
